

R U L E BREAKER

Use this guide to help your family stay connected, and to keep learning what God says about miracles. First, make sure that you watch the live instagram video to hear God's truth in a way your teen can understand and enjoy. Then, follow up with the fun activities below!

ACTIVITY :: MINUTE MICRO MANAGER [follow up]

[REVIEW LAST WEEK'S MATERIAL & CHECK UP ON THEIR PROGRESS!]

WHAT YOU NEED > notebook paper or word processor

WHAT YOU DO

- > Have your teenager map out how they would normally spend their weekly budget of 10,080 minutes before the quarantine. They will need to be as specific as possible with all activities... don't leave anything off of the list!
- > Then have them cross off [don't delete] anything they are not allowed to do right now because of the quarantine.
- > Finally, have them add up all of the minutes from the activities that were crossed off.

WHAT YOU ASK

- > What are they doing with all of the extra time?
- > Are they using this inconvenient time to enhance their own life, or the lives of those around them?

DISCUSSION QUESTIONS

- ✓ Open up by talking about favorite parts of the instagram live...
- ✓ Tell your teenager about a time when your life was incredibly overwhelmed with inconveniences... but then God revealed that those inconveniences were a result of the blessings that He had given to you.
- ✓ What are more examples in the lives of your family when God was wrapping His miracles around your messes?
- ✓ Share times when living by faith was difficult because of doubt.
- ✓ What risk is God asking us to make right now in our faith walk?
- ✓ Have your teenager commit to getting at least 2 other students on this week's instagram live feed [one that was on last week, and one that wasn't].

PRAYER
