## KEY SCRIPTURE

No test or temptation that comes your way is beyond the course of what others have had to face. All you need to remember is that God will never let you down; he'll never let you be pushed past your limit; he'll always be there to help you come through it. [1 Corinthians 10.13]

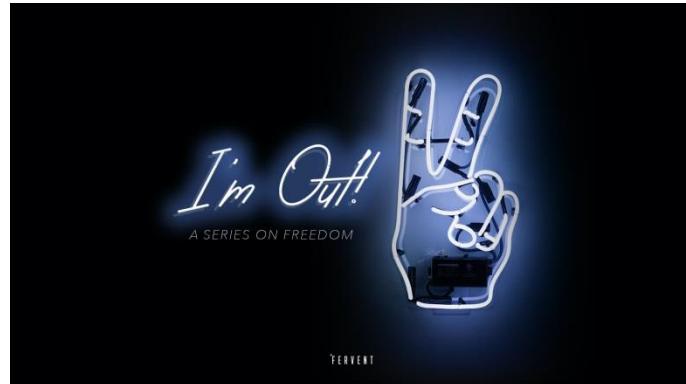

## KEY POINT

Before your character can be trusted, it must first be tested! [don't complain about the testing]

## BOTTOM LINE

We can beat temptation just like Jesus.

## ACTIVITY :: TRADING UP

- |                      |  |
|----------------------|--|
| <b>WHAT YOU NEED</b> | > random personal items of varying value   |
| <b>WHAT YOU DO</b>   | > This is an opportunity to trade your way to something better. Parents & teenagers will try to offer each other deals that the other can't refuse. Take turns offering something you have for something the other can give. The only rule is that you can't offer something that you don't own [it was either something you personally bought, or it was wrapped/given to you as a gift, or it is an act of service that you are offering] The time limit for trading is only 15 minutes! |
| <b>WHAT YOU SAY</b>  | > We will face temptation every day of our life. It will usually be presented to us as something better, when it is actually something of negative value! We have been tempted to make these poor trades with the devil because of the personal desires we struggle to overcome. But we can be more like Jesus when we make strong choices to overcome these temptations.  |
